

Artfully Updated Condo!

Move-in Ready & a bargain in this market!

- Rare 1-bedroom available in this quite neighborhood!
- Shows like a new home!
- Among the many upgrades, there is tasteful crown moulding, recessed lighting which, along with the sunny windows, helps make this home light and open.
- Plantation shutters throughout!
- Kitchen has newer stainless steel appliances. Everything is in tip-top condition and ready for immediate move-in!
- Owner had the fireplace hearth raised in beautiful stone. It's possibly (probably) the only unit in the complex with this fantastic upgrade!
- Huge mirrored closet doors expand the bedroom, the popcorn ceiling has been removed... so many great upgrades!
- Like the furniture and artwork? All can be negotiated.

One bedroom, one bath, 598 sq. ft.
